

# SPARC

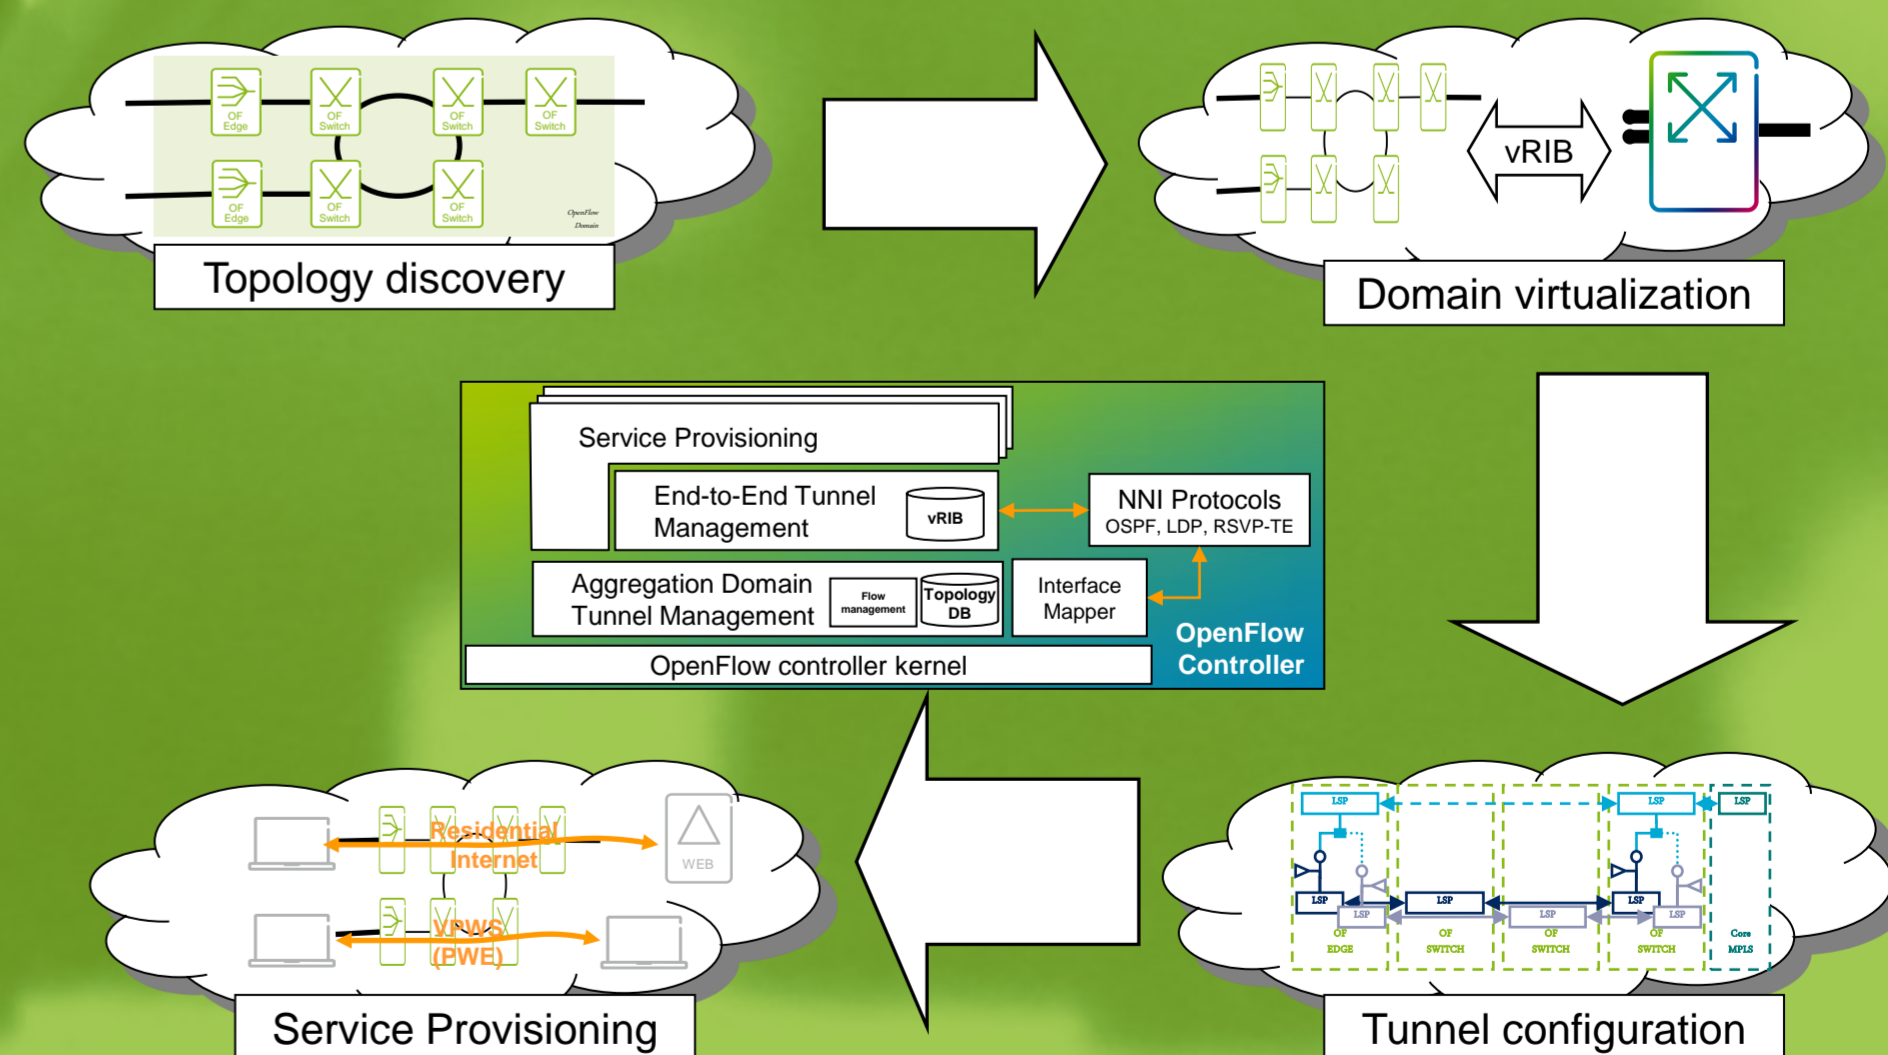

## MPLS-OpenFlow based access/aggregation network

### Prototyping

- MPLS OpenFlow controller
  - Manages MPLS OpenFlow switches
  - Interacts with IP/MPLS control plane
  - OAM & Protection Functions IN DATA Plane
  - Service Provisioning
- Proof-of-concept prototype Demonstrations
  - GENI Engineering Conference In US: March 2011
  - FIA in Budapest: May 2011
  - IPOPOP Conference IN Japan: June 2011
  - Future Network & Mobile Summit in Warsaw: June 2011
